

LAM Action 2024 Annual Meeting - Saturday June 8th Macdonald Burlington Hotel, Burlington Arcade, Birmingham B2 4JQ

The LAM Action 2024 Annual Meeting will take place at the Macdonald Burlington Hotel, Birmingham, on Saturday 8th June, and we hope you will be able to join us.

Please note the meeting this year will not be streamed live and will be in a purely face-to-face format. We feel that the benefits of meeting in person once again cannot be overstated, and we are looking forward to seeing old friends again as well as welcoming the many new faces who have joined the UK LAM community in the few years since we last held a face-to-face meeting.

Meeting Attendance and Accommodation

The day delegate rate the hotel is charging us is £49 per head and LAM Action will cover this cost for all LAM patients and up to one person accompanying them.

As we are aware that some of you will be travelling quite long distances, we have arranged for a number of hotel rooms to be reserved for those attending the meeting.

Rooms for single occupancy on a bed and breakfast basis are available at a cost of £127. This is a special rate available as part of the deal negotiated with the hotel. To reserve a room please contact the Reservation Centre on 0344 879 9000 and use **Booking Reference LAMA070624**. LAM Action will further subsidise every room booked by £49, please ensure you keep your hotel receipt so that you can claim this extra discount afterwards.

Rooms must be reserved by **26th April**, at which time they will be released for general sale. Rooms may be available after that date, but they will be subject to availability and at best available rates. Full prepayment is required at the time of booking and once confirmed bookings are non-refundable and non-transferable. Check-in is after 3pm on day of arrival, and checkout is before 11am on day of departure.

For those staying overnight we will book a table for a meal the night before. This will be from the hotel's general menu. If you would like to join us, please let Jill Pateman know so that she can ensure there is enough space to accommodate everybody.

We really would like to encourage as many people as possible to attend, so if anyone is struggling to pay for their travel, please apply to Jill in confidence as some assistance towards your costs may be available.

To register for the meeting please complete the booking form below and return it to Jill either by post or email.
